

Offer of Donation

Thank you for your interest in donating objects and/or archival material to the Strathcona County Museum & Archives. Please be aware that the evaluation and acquisitions process can be lengthy. Your patience and support of the history of Strathcona County are appreciated.

Please note that any objects and/or archival material accepted into Strathcona County Museum & Archives collection may be interpreted or displayed in accordance with the Museum's exhibition and program requirements. Acquisition of objects or archival material by the Museum does not guarantee public exhibition, and the Museum does not accept donations offered with conditions.

Please do not send your objects or archival material to the Museum until requested to do so by Museum staff.

Part one: Source information

First name*:	Last name*:
Email*:	Phone number*:

Mailing address*

Street:	City/town:
Province:	Postal code:

* required

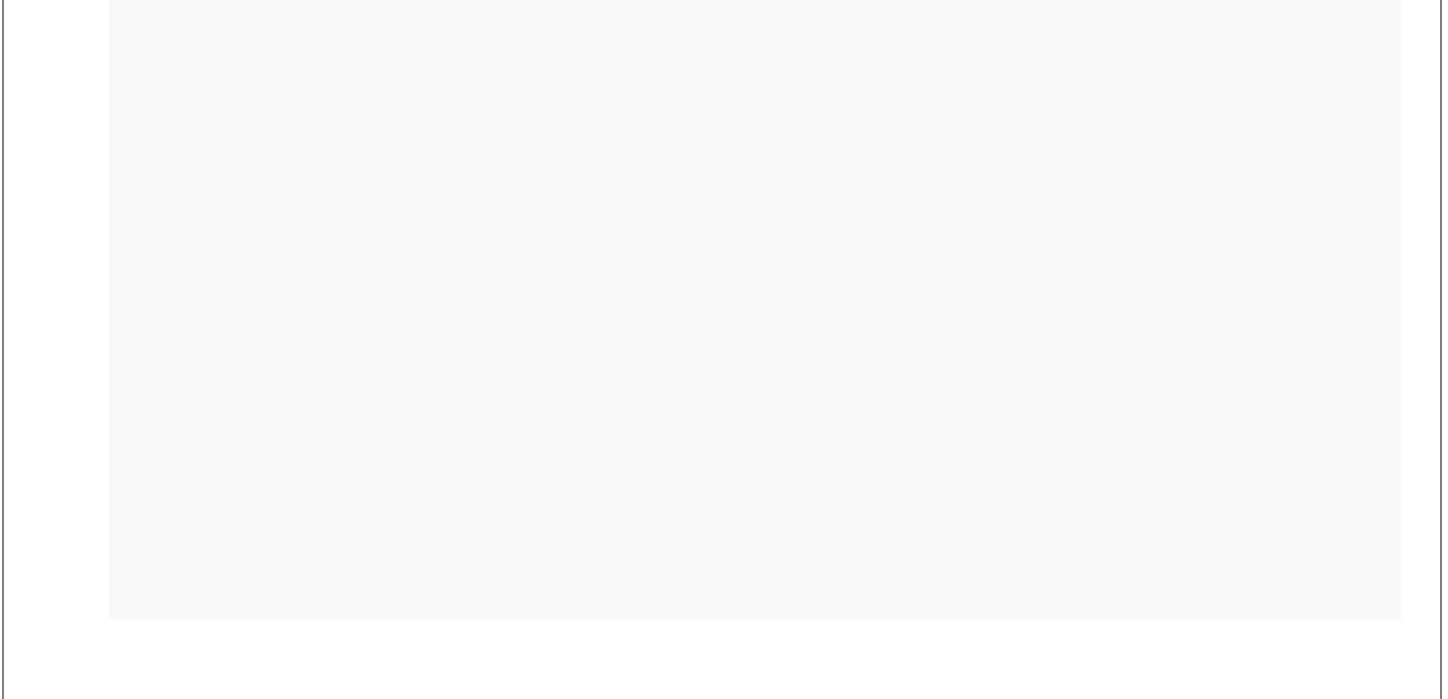

Are you the legal owner of the objects and/or archival material described below?

Yes ___ No ___ Other ___

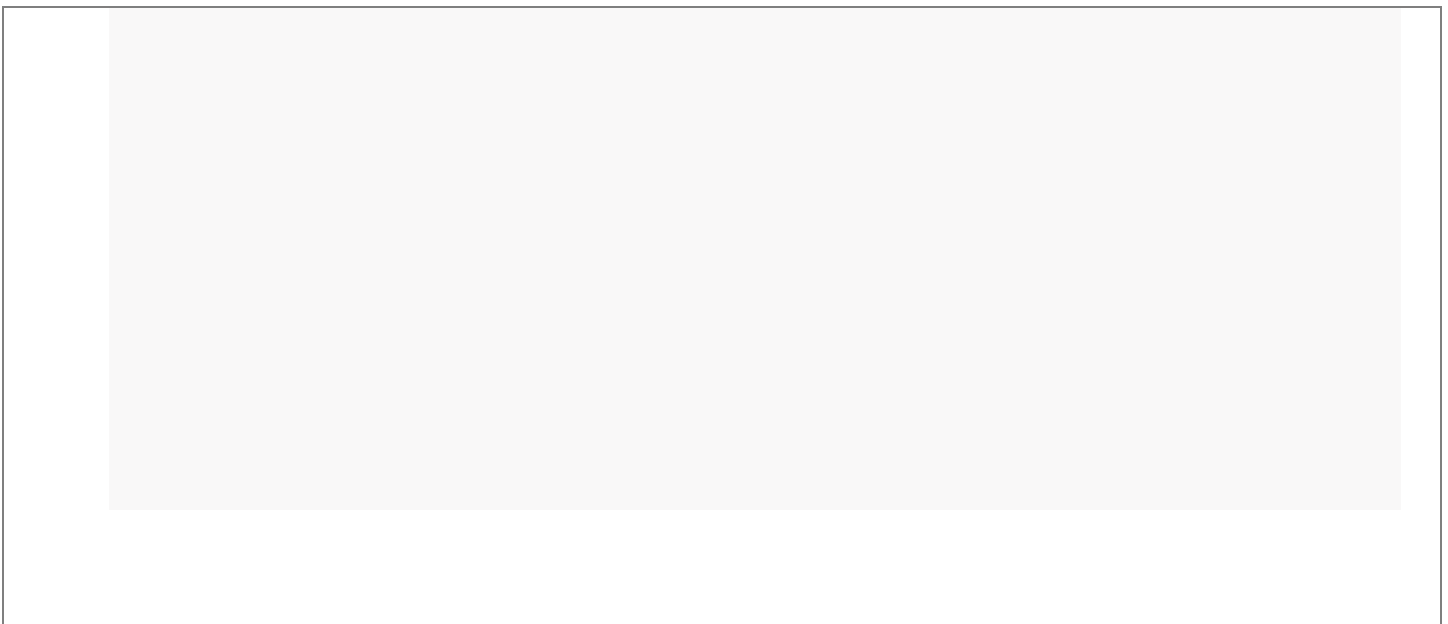

If you selected "Other," please provide details.

Part two: Description of the objects and/or archival material

Please provide us with specific details about the objects and/or archival material, including how they were acquired. This will assist us in our evaluation. Please include general dimensions, approximate quantities, and physical condition (for example: like new, poor, incomplete) where possible. Do you have images of the objects and/or archival material being offered, or other related documentation? Please include these files with your offer.

What is the historical significance of the objects and/or archival material? Is there a story connected to them? For example: When were they made? How were they used? Who made them? Who did they belong to?

Please return the Offer of Donation form and images/related documents by email to:

collections@strathma.ca

or in-person to:
