

LAKE LAND LOOP DIRECTIONS

LET'S START THE LAKE LAND LOOP! REMEMBER YOU CAN ALWAYS JUMP OFF THE LOOP TO CHECK OUT AS MANY OR AS FEW COOL SITES ALONG THE WAY!

1. Lets go!... east on Wye Road from Sherwood Park

Places to see...

Explore Half Moon Lake hamlet
Turn right (south) on Range Road 220 and follow the lake. Return to Wye Road to get back the on the loop.

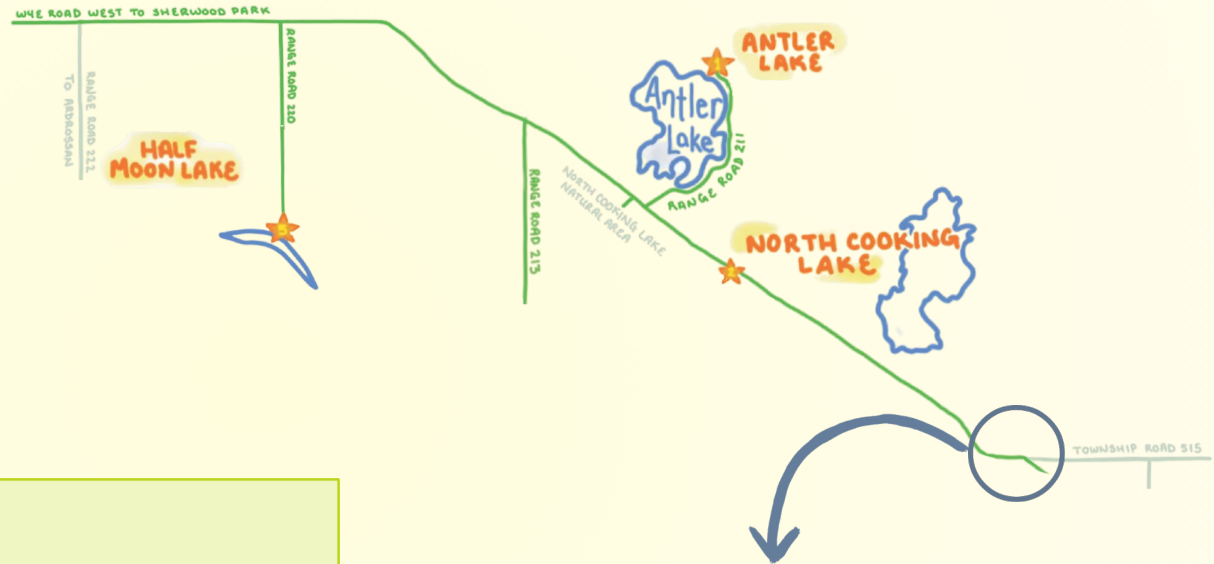

Alberta's best sunset can be found at Antler Lake
Turn left (northeast) on Range Road 211, watch for the Antler Lake Sign.

Looking for some Alberta History?
Look no further than the North Cooking Lake hotel, post office and general store building. You'll see it on your right (south). It's now a private residence but there is a historic plaque out front to check out!

Things to do...

Hungry? The Country Mercantile Store (just after Range Road 213) is the place to go! Ice cream, snacks or some local produce will hit the spot.

Say hello to nature at the North Cooking Lake Natural Area.
You'll find it by turning right (south) on Township Road 522

2. Continue to follow Wye Road as it turns southeast, just after the Wye Road sign. If you've crossed the train tracks you've gone too far!

Watch for...

St. Margaret's Church (south on Range Road 203.) You'll find a great spot for a photo op and a historic plaque out front

LAKE LAND LOOP DIRECTIONS

- 3.** Take a hard right to follow Wye Road Southwest. If you hit Range Road 202, you've gone too far!

- 4.** Head west on Highway 14

Did you know...

The log cabin at Maggie's Hill is one of the oldest buildings (still standing) in the County. It's driveway boasts the "McFall" arch overhead. It's now an Airbnb!

Find them at Maggies's Hill Heritage Loghouse on Airbnb.ca

Things to do...

Take a hike at the Hicks Conservation Lands and hiking trails or to find Hastings Lake Community Hall, turn left (south) on Range Road 204.

For Hastings Lake hamlet, turn right (north) on Range Road 204

To find the Fort Scott Legion of Frontiersmen museum and cairn, turn right (north) on the access road just after Range Road 205, before Range Road 210.

The Museum is open Saturdays in May through September from 1-3pm.

LAKE LAND LOOP DIRECTIONS

- 5. Continue to follow Highway 14, and turn right (northeast) on South Cooking Lake Road**

Choose your own adventure!

- Visit the hamlet of South Cooking Lake's famous Nonnie's Grill and Artisan Shop by turning right at the stop sign.
- Turn left (north) on main street then right (east) on 1st avenue for access to the lake and a public park with picnic spots.

- 7. Turn right (north) at the stop sign, on Range Road 222/AB 824**

- 6. Turn left (north) on South Cooking Lake Road as it veers northwest**

Take a peek...

Watch for the Strathcona County Fire Station #2 on the right!

Take a peek back in time to the days of resort life at the Lakeview Resort fireplace and public park. Head north on Range Road 220, veer right, and follow to the end of road. Note: it's currently under construction.

Be sure to look up...

To find the Cooking Lake Airport, turn right (east) on Township Road 514.

Continue to Gate A at the end of the road and travel by foot across their wooden footbridge to view a historic plaque.

Stay for a while and enjoy the action on the runway of Canada's oldest operating public airport!

LAKE LAND LOOP DIRECTIONS

8. Turn right (east) on Township Road 520 (AB 629)

A perfect get-away...

There's always something to do at the Half Moon Lake Resort on the left (north). This hidden paradise offers tons of fun in the sun!

Visit <http://halfmoonlakeresort.com> to find out more

9. Continue east on Township Road 520 to Collingwood Cove.

Get out & stretch!

Visit "The Cove" once a popular 1950's summer lakeside resort now boasts a great playground, hiking trails, and quaint hamlet lifestyle.

10. Time to head home...or on to your next adventure!

Double back down Township Road 520 to head right (north) on Range Road 213 back to Wye Road. Turn left (west) back to Sherwood Park/Edmonton.

...the land
among the lakes

Before or after you tour the Lake Land Loop, come visit Strathma - the Strathcona County Museum & Archives! You can learn more about our fascinating lake history and so much more!
